**ECOSYS P3060dn Series**

# BEST-IN-CLASS PERFORMANCE.
# UNRIVALED PRODUCTIVITY.

The ECOSYS P3060dn Series of robust network printers is engineered for exceptional image quality, outstanding ease-of-use and ultra-reliability. Offering a range of output speeds, from 47 to 62 pages per minute, with standard duplex printing capabilities, the ECOYSYS P3060dn Series' powerful platform maximizes document workflow from first print to last.

Designed to meet your varied application and volume requirements, the large 600-sheet standard paper supply is expandable to 2,600 sheets. For added performance, the ample 512 MB RAM is upgradeable to 2.5 GB RAM. Whatever the need, Kyocera has the solution, including walk-up USB accessibility, mobile connectivity for on-the-go workers, and advanced security to protect device and data assets.

# GREEN TECHNOLOGY.
## THE ECOSYS ADVANTAGE.

Kyocera seeks a harmonious balance between economic development and environmental preservation. As such, our office products are designed with standard technologies that reduce waste of our natural resources and unnecessary electrical consumption.

- Standard Duplex Printing conserves paper.
- Print drafts in EcoPrint Mode.
- Use Proof-and-Hold to review a document.
- Control energy costs with the Programmable Energy Saver function.
- **ENERGY STAR® Compliance**, low Typical Electricity Consumption (TEC) values.

# ECO-FRIENDLY,
## SINGLE-COMPONENT CONSUMABLES.

Kyocera's ECOSYS long-life, patented drum technology lowers your TCO and environmental impact.

This durable imaging drum is separate from the toner cartridge, so only the depleted toner is replaced, reducing cost and landfill waste.

# BIG OFFICE FUNCTIONALITY NOW COMES STANDARD
## IN A SMALL OFFICE PACKAGE.

The ECOSYS P3060dn Series delivers desktop power and productivity at impressive speeds. Businesses that demand exceptional performance, reliability and versatility in a monochrome printer need look no further than these compact workhorses.

# FAST AND EFFICIENT. READY TO ROLL.

To support your productivity, security and compliance goals, this ground-breaking Series delivers on each count with...

Fast output speeds up to 62 pages per minute.

Crisp, consistent black-and-white imaging at resolutions up to Fine 1200 dpi.

Convenient mobile printing, with Wireless LAN and Wi-Fi Direct options.

Large, standard 600-sheet paper capacity, expandable up to 2,600 sheets, to run long jobs without interruption.

Substantial memory to effortlessly process your data intensive documents.

High maximum monthly duty cycles for the most demanding office environments.

Flexible media handling to meet varied application needs — including statement to legal size, envelopes, labels, banners and more.

Quick walk-up printing from a USB thumb drive.

Increased security with optional Card Authentication and Data Security Kits.

Simplified device management with **KYOCERA Command Center RX**, a standard web-based interface that enables users to view toner levels, paper availability and device status. Administrators can remotely edit and update device settings, and much more.

# KEEP MOBILE WORKERS CONNECTED.

Smartphones and tablets are business essentials that allow the on-the-go workforce to wirelessly print PDF files, images, web pages and much more, from a handheld device. This seamless process helps build productive workgroups that can access hardcopy whenever and wherever needed.

**KYOCERA Mobile Print**
This flexible Business Application runs on your iOS or Android mobile device, enabling on-the-go printing to Kyocera network printers and MFPs.

**KYOCERA MyPanel**
Use your iOS or Android mobile device to print from a cloud account (Dropbox, OneDrive, etc.), when connected to the same wireless network.

**Google Cloud Print™**
Access and print documents from anywhere using your mobile device.

**Mopria® Print Services**
Print to your ECOSYS P3060dn Series from an Android (4.4 or later) device.

**Apple AirPrint®**
Print to your ECOSYS printer from any iOS or OS X device on the same network.

# IMPROVE DEVICE SECURITY.

Kyocera's **Card Authentication Kit** option helps protect information assets; only authorized users with an HID proximity card can gain access to printer functions.
This plug-and-play solution provides your business with...

- Administrative software and card reader; easily connects to the printer's USB port.
- Seamless integration with your business infrastructure, compatible with most common company ID badges.
- Control over device access by user or department.
- Compliance with select regulatory requirements for device access and tracking.

Concerned about unauthorized access or interception of confidential documents? Kyocera's **Data Security Kit** option helps safeguard mission-critical information assets by overwriting and encrypting print data stored in the printer's internal memory.

# TIME IS MONEY. PROACTIVE FLEET MONITORING.

Optimize device uptime and reduce costs with **KYOCERA Fleet Services (KFS)**, a highly-secure cloud-based monitoring solution that offers real-time visibility into...

**Device Status**
Take a proactive approach to error resolution to ensure that your fleet operates at peak performance. Maximize up time with scheduled off-hour maintenance.

**Counter Activity**
Eliminate administrative burden with automatic meter reading, for accurate and timely billing.

**Supply Levels**
View consumable levels to prevent unnecessary workflow interruptions.

**Usage Trends**
Identify print, copy and scan trends to make more informed decisions that will further optimize your workflow.

# ONE SERIES. FOUR MODELS.

There are four models in the ECOSYS P3060dn Series, so you can choose the printer that best meets your speed and volume needs.

| | ECOSYS P3060dn | ECOSYS P3055dn | ECOSYS P3050dn | ECOSYS P3045dn |
|---|---|---|---|---|
| Function | Print | | | |
| Print Speed (Letter Size) | 62 ppm | 57 ppm | 52 ppm | 47 ppm |
| DIsplay Panel | 5-line LCD with Hard Key Control Panel | | | |
| Print Resolution | Up to Fine 1200 dpi | | | |
| RAM Memory (Std / Max) | 512 MB RAM / 2.5 GB RAM | | | |
| HDD Memory (Opt.) | 32 GB / 128 GB SSD* | | | |
| Standard Interface | 10/100/1000BaseTX, 1 Hi-Speed USB 2.0, 2 USB Host | | | |
| Optional Interface | Wireless LAN IEEE 802.11b/g/n, Wi-Fi Direct, Parallel | | | |
| Paper Capacity (Std/Max) | 600 Sheets (500 + 100 MPT) / 2,600 Sheets | | | |
| Optional Paper Drawers | 500 Sheets x 4 (PF-320) or 2,000-Sheet LCT (PF-3100) | | | |
| Output Paper Capacity | 500 Sheets | | | 250 Sheets |
| Paper Sources (Std/Max) | 2 / 6 Including MPT | | | |
| Paper Sizes | Statement to Legal (5.5" x 8.5" − 8.5" x 14") | | | |
| Duplex | Standard | | | |
| Mobile Support Capabilities | Apple AirPrint®, KYOCERA Mobile Print, Google Cloud Print™ and Mopria® | | | |
| KYOCERA Fleet Services (KFS) Ready | Standard | | | |
| Security Options | Card Authentication Kit, Data Security Kit | | | |
| Initial Toner Yield** | 10,000 Pages | | 8,000 Pages | 6,000 Pages |
| Standard Toner Yield** | 25,000 Pages | 21,000 Pages | 15,500 Pages | 12,500 Pages |
| Drum / Developer Life | 500,000 Pages | | | 300,000 Pages |

*Optional Hard Drive (HD-6: 32 GB SSD; HD-7: 128 GB SSD)
**Accordance with ISO 19752

Note: Specifications vary by model
